ABOUT US

Deen Industries

Building the Future with Premium Green PVC Foam Boards

At Deen Industries, we are proud to be one of Pakistan's leading manufacturers of Green PVC Foam Boards, delivering innovative, durable, and environmentally responsible solutions for the construction, advertising, furniture, interior design, and industrial sectors. Based in Islamabad, we combine advanced manufacturing technology, strict quality control, and continuous innovation to produce PVC foam boards that meet international standards of performance and reliability.

Our Vision

To become the most trusted and innovative PVC foam board manufacturer in Pakistan and a recognized global supplier by delivering sustainable products, exceptional quality, and unmatched customer satisfaction.

Our Mission

Our mission is to manufacture world-class PVC foam boards that exceed customer expectations through continuous innovation. We strive to build long-term relationships with our customers by providing reliable products, timely delivery, and outstanding technical support.
